

“Building upon nursing excellence”

Presented by Chief Nursing Officer Jackie Ward

Nursing Town Hall

Thursday, Dec. 16, 2021 • 1 p.m. to 2 p.m.

Virtual Event

Nursing Town Hall will be hosted virtually via Microsoft Teams Live. Along with co-presenters, Jackie will provide updates on recruitment, retention and quality, and highlight her vision for nursing including her strategic plan that will build upon our nursing team’s past successes in advancing patient care, quality and safety outcomes through nursing excellence.

Pre-submit Questions

We encourage you to submit questions prior to the Nursing Town Hall. You can submit your question to: info@voiceofnursing.org. We will respond to as many pre-submitted questions as time permits during the town hall. Any unanswered questions will be responded to via email.

Livestream Access

[Click here](#) to access the livestream broadcast of Nursing Town Hall. You do not need the Teams app to view the town hall. You can click the link and choose the “Watch on the Web Instead,” option to view the town hall livestream. There will also be a link to the on-demand recording of the town hall under the News section of the [Voice of Nursing blog](#) for those who were unable to attend the virtual town hall event.
