

## Concert Drawing Details

Due to a limited number of Rodeo concert tickets available for purchase, a random drawing will once again be utilized for Texas Children's team members. All tickets distributed through the drawing are sold at a discounted rate and the cost will be **automatically deducted from your paycheck.**

The cost is \$35 for Sections 102 and 117 and \$40 for Section 314 (club seats). If you purchase four tickets, the cost will be deducted over two paychecks.

### Step 1 – Download RODEOHOUSTON App

- Once downloaded, register your account to access electronic tickets.

### Step 2 – [Submit the online rodeo concert ticket drawing request](#) by **Friday, February 13**

- Be sure to use the same email address associated with your RODEOHOUSTON App account. This ensures proper electronic transfer of your concert tickets.
- Select your preferred performer(s) and the number of tickets you would like to purchase.
- **Ticket maximum per employee is four (4.)** One drawing entry per employee. **Multiple entries by one employee will be disqualified.**

### Key Considerations:

- **HR Benefits will notify winners via email by 5 p.m., Friday, February 20**
- Failure to complete step 2 above, will result in your tickets being forfeited to the next employee in line.
- **All concert ticket purchases are final.**

Due to high volume, HR Benefits is unable to confirm receipt of your drawing entry, accept change requests or cancel your online form once received.

## Tickets
